LifeNet4Families – Ending Homelessness and Hunger in Broward County

Since 1985, LifeNet4Families has been at the forefront of the fight against homelessness and hunger in Broward County, Florida. Starting with a group of dedicated community members who distributed fresh peanut butter and jelly sandwiches, it has grown into a large operation that now provides over 100,000 meals annually.

In addition to food assistance, LifeNet4Families offers essential services for individuals experiencing housing instability, including rental/mortgage assistance, transportation assistance, showers, haircuts/styling, shoes and clothing, and social activities for the whole family. LifeNet4Families also partners with local healthcare providers to provide onsite preventative care and routine health tests.

All services are free of charge and delivered in a safe, clean environment by culturally competent and caring staff. Simply put, LifeNet4Families ensures consistent access to quality services for the community in need.

COMMUNITY TESTIMONIAL

"I'm so grateful for LifeNet4Families. They gave me more than just hot meals; they gave me a fresh start. The staff is very friendly and gave me important things that I need, like showers, clean clothes, and even help me out with getting mail. I feel like I have dignity here, which helps my self-esteem.
